We have been reviewing your letters but do not have a response for you yet. Thus, we will not be able to meet tonight. We will do our best to coordinate with you tomorrow and to set a meeting date and time.

Also, as you know, distribution lists are more important now than ever, so as to ensure that someone on our team can review and respond any correspondence from you. Your last email, however, was addressed only to me. Please copy any correspondence to our team so that we can be sure to address any issues you may raise.
